**THE 1944
STANDARD CATALOGUE
of
UNITED STATES COINS
AND TOKENS**

**is now being prepared by
WAYTE RAYMOND, Inc., Publishers
for release in September**

We can state authoratively that practically all standard values in every series of copper and silver will be increased considerably to reflect present values. It is a fact that coins are commanding prices higher than the values listed in either the 1942 Catalogue or the 1943 Supplement. In many instances, the market value is twice the catalogue value.

When you consider the lots offered in the following pages, please keep these facts in mind.

Numismatic Gallery Public Auction

Sale Catalogue No. 21

SATURDAY, JUNE 5, 1943 – 1:30 P. M. Sharp

CONDITIONS OF SALE

1. All Bids must be PER PIECE as listed in the catalogue, unless otherwise designated. Highest bidder to be buyer. Decision of Auctioneer is final.
2. Buyers must identify themselves if not known to the cataloguers. Mail bidders not having an established credit should send a deposit equal to 25% of their bids. A charge of 5% will be made for executing mail bids up to \$100.00; no charge except for lots actually purchased. In no case will there be a charge exceeding \$5.00. Lots will be purchased below your bids whenever possible.
3. Lots will be on exhibition at the Numismatic Gallery, 42 East 50th Street, N. Y. C., from May 26th to June 4th from 10 A.M. to 5 P.M. and on the day of the sale until Noon.
4. Terms are cash. Remittances should be made when bills are rendered. Our pledge to consignors to make complete settlement within 30 days after the sale, requires that the buyers cooperate by making prompt payments. We have never failed them.

SPECIAL NOTICES

- a. Estimates will gladly be furnished by the cataloguers. Write the lot numbers on a sheet of paper, leaving space for the estimate opposite each number, put your name and address on the sheet and mark, "Request for estimates."
- b. An official price list of the prices realized will be published two weeks after the sale. Priced at 50 cents, it may be ordered by checking your bid sheet in the square provided for that purpose. A purchaser whose bill exceeds \$25.00 will receive a price list free of charge.
- c. This is a PUBLIC AUCTION sale and all are invited to attend. Mail bidders are urged to send their bid sheets in early. Every sale finds some bidders too late.
- d. Some bidders also enter bids on lots other than those they really want. For this reason, we are making a change in our bid sheet. After the lot number, enter the first word which follows it in the catalogue—thus No. 19—1849; No. 724 Breton, etc.
- e. Books will be shipped at BOOK RATE, only 3 cents per pound.
